## PARENTS AND COACHES:

**PLEASE READ THE SCHOLARSHIP POLICY THOROUGHLY AND CAREFULLY BEFORE COMPLETING AND SIGNING**

To insure that all registered Terrace Brier Soccer Club players will have the opportunity to play soccer, the Terrace Brier Soccer Club has established the following scholarship policy for individual players:

- Scholarship awards will be applied toward payment of the soccer registration fee.
  - The club allows only one scholarship per team unless special approval is given by the board.
  - When scholarships are granted and applied towards the registration fee, the fee required of the player is reduced to the following:
    - Micro and Mod Teams \$10.00
    - Association (Rec/Club) Teams \$15.00
    - District/Premier Teams \$20.00
  - The scholarship form must be turned in to the coach with the reduced fee so that it may be submitted with the rest of the team's forms.
  - Approval of the scholarship may require a representative of the requesting team (normally, the coach) to explain the circumstances to the board.
- Players/teams/families receiving scholarships will be required to perform volunteer work as their skills allow (see listing at the end of the scholarship application)
